[Register Once for All 3 Trainings](#)

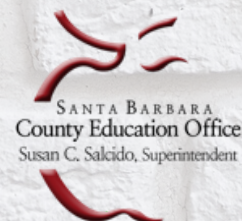

The 6 Meta Skills are the principles to own your growth and development and be a Teacher of Excellence.

In these 3 training sessions we'll explore:

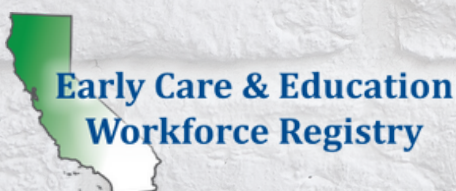

- What is a Teacher of Excellence and how to become one,
- The master skills that ensure you can lead your class with calm confidence and efficiency,
- The steps needed to create an inviting class environment
- How to educate the parents that you are professionals, not babysitters.

SCHOOLS OF EXCELLENCE
