

Strengthening Families Program

with Monica Thorpe and Rebecca Arreola

Saturday, September 14, 2024 and Saturday, September 21, 2024
SBCEO Auditorium
9:00 a.m.-3:00 p.m.

This training will emphasize three common threads:

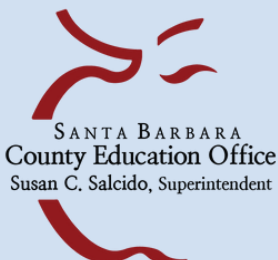

- Strengthening Families Protective Factors Framework: Understand and communicate the importance of how to use the Framework as we go about our everyday work
- The importance of culture: Examining how culture impacts families as they seek to build protective factors and how our own culture shapes how we individually feel, act, and think
- The critical role parent's play in Strengthening Families: Viewing parents as valuable partners in every phase of the work we do

12 Credit Hours

Register Here

Lunch will be provided!

Must attend both sessions for full credit. This training series can be used for the Workforce Pathways Stipend Program

This professional development opportunity is brought to you by Santa Barbara County Education Office- Quality Counts. All training hours will be credited through Workforce Registry found here: www.caregistry.org.
