In this training you will:

- Learn to create opportunities for learning that are embedded within ongoing everyday classroom activities
- Learn to align child observations, Desired Results Developmental Profile (DRDP) ratings, and IEP goals to create intentional learning plans

This training can be used for the Workforce Pathways Stipend Program.

This professional opportunity is brought to you by Santa Barbara County Education Office Inclusive Initiative (IEEEP). All training hours will be credited through Workforce Registry found here www.caregistry.org.
